

CLEAN MOM'S  
**Bathroom Quick Clean**

SUPPLIES	STEPS
<ul style="list-style-type: none"><li>○ cleaning cloths – one for mirrors, one for each toilet, one for each sink, and a couple extras for tubs and showers</li><li>○ glass and mirror cleaner</li><li>○ disinfecting/bathroom cleaner</li><li>○ toilet cleaner and toilet scrubber</li><li>○ empty container for dirty cloths or paper towels</li><li>○ caddy or container to carry supplies from room to room</li></ul>	<ol style="list-style-type: none"><li>1. Clear off the counters and all surfaces.</li><li>2. Spray and wipe any mirrors clean—keep this cloth handy and reuse it in each bathroom.</li><li>3. Spray the sink, toilet, and tub or shower (if you don't use a tub or shower regularly, you don't need to clean it weekly) and quickly spray with your disinfecting cleaner.</li><li>4. Use your preferred toilet cleaner and brush and do a quick clean of your toilet.</li><li>5. Repeat these steps in each bathroom.</li><li>6. Once you've done that, go back to the first bathroom.</li><li>7. Wipe the sink, wipe the toilet, and wipe the tub or shower – take care to use a separate cloth or paper towel for each toilet and sink to avoid cross-contamination.</li><li>8. Place dirty cloths in container. Move on to wiping down the next bathroom and the next until you have quickly wiped down each bathroom.</li><li>9. Change hand and bath towels.</li></ol> <p style="text-align: center;"> <b>Repeat on Mondays!</b></p>
